Dear Valued Customer

I convey warm Greetings to you from the management and staff of Post PNG Limited.

Been accustomed to conducting day-to-day business through e-mail and other advanced means of communication to all our dear friends like yourself, it is always refreshing to revisit letter writing whenever possible.

Today, in the midst of developments taking place in the industry and elsewhere in terms of technology, so are the repercussions in business ethics and lifestyle in general for all. We seem to subtly accept and customize ourselves to every change that comes by. Usually, some of these experiences/changes work in one's favour while others don't.

In a related scenario faced by our administration, this letter serves to inform you of yet another major decision made regarding cost on our registered mails. Due to economic reasons, as also experienced by other postal administrations the world over, there has been a price hike on our regular registered mails service. This is done to compensate increases on carriage costs as it too has moved up another notch unfortunately.

You have a choice of using Registered Mail or Normal Post.

From now on instead of the K5.00 charge for registration, all registered articles weighing from 0.01 - 1kg will be charged by their respective zones at the following rate:

ZONE 1:	Was K5.00	Now K140.00 - <i>Australia</i>
ZONE 2:	Was K5.00	Now K170.00 - <i>Fiji, Hong Kong, Indonesia, Japan, Malaysia, Philippines, Singapore, Solomon Islands.</i>
ZONE 3:	Was K5.00	Now K190.00 - <i>All other Countries.</i>

Alternatively, there is the option of using normal post at the cost of postage; however this will pose the risk of articles/packages not been tracked.

Currently, all orders below K30.00 are posted using normal mail, and we seldom experience issues of late arrivals or articles going missing, so it's just as safe to send by normal mail should you consider the option.

To give a general perception on delivery time, collectors abroad should allow two to three weeks for articles/packages to arrive.

I apologize for any inconveniences that this scenario may cause.

Yours sincerely,

Banian Masiboda
